

Swansea University School of Education Research Study Pupil Experience of Being Educated in Wales

Swansea University School of Education is carrying out a study looking at the pupil experience of young people educated in Wales' schools and would like to hear from you.

If you are aged 18 years or younger and are currently, or were until recently, educated in Wales, you are invited to take our...

Pupil Experience Survey

Giving pupils a voice and a chance to share their thoughts and experiences of being educated in Wales.

Participation is entirely voluntary, and the survey is completed anonymously

The survey has less than 30 questions

(requiring mostly yes/no answers using picture clues to ensure accessibility for all)

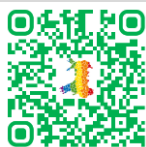

It should take no longer than 5-10 minutes to complete

Participants can answer as few or as many questions as they like

The questions can be downloaded in advance

(this download can be accessed via the project's dedicated Facebook page)

The online questionnaire
can be accessed using
this QR Code

or through the links on
the Facebook page
highlighted below.

Open to all children and young people aged 18 or younger educated in Wales.

Primary School pupils - Secondary School pupils - Post-16 education students

Pupils attending Mainstream Settings and Specialist Setting

Pupils with Additional Learning Needs

Participants under 16 years will require parental consent and support to take part

Participants aged 16+ can participate independently or with support if required

This project is part of a wider study conducted by Swansea University considering the education of Autistic pupils in Wales. It is undertaken with the aim of trying to establish how Autistic pupils' educational experiences differ from the wider pupil population.

If you are Autistic and took part in the survey of Autistic pupils last year you do not need to take this survey again.

If you would like more information, or to discuss the project, please contact:

Mae'r prosiect hwn yn rhan o astudiaeth ehangach a gynhaliwyd gan Ysgol Addysg Prifysgol Abertawe sy'n ystyried addysg disgyblion Awtistig yng Nghymru.

Fe'i cynhelir gyda'r nod o geisio sefydlu sut mae profiadau addysgol disgyblion Awtistig yn wahanol i'r boblogaeth ehangach o ddisgyblion.

Os ydych yn Awtistig ac wedi cymryd rhan yn yr arolwg o ddisgyblion Awtistig y llynedd nid oes angen i chi gymryd yr arolwg hwn eto.
