

# ST RICHARD GWYN CATHOLIC HIGH

## LEARNING CYCLE

### WEEK 1 AND 2

Introduce the topic and key concepts to students. Ensure that they know how this builds on their prior knowledge and how it links to future learning. Students must stick in unit overview sheet into exercise book.

Focus on high quality teaching and learning.

### WEEK 3

Quality first teaching will continue.

A formative assessment task must be set and this will be deep marked.

A pupil response task should be set which includes a specific WWW and EBI task.

The EBI task must be focused on a gap in knowledge or a skill that needs to be improved which can move learning forward.

### WEEK 4

Students must complete the personalised pupil response task in purple pen.

They must be given a chunk of lesson time to complete this so that it can be detailed and a good quality response.

The pupil response task must be acknowledged by the teacher to ensure that it is correct. Misconceptions must be addressed.

### WEEK 5

Continue quality first teaching.

Formal end of unit assessment can begin as part of the assessment fortnight.

Ensure that assessments are stuck into exercise books

### WEEK 6

Formal assessment fortnight continues as well as quality first teaching.

A pupil response task should be set which includes a specific WWW and EBI task. This should be based on the formal assessment.

The EBI task must be focused on a gap in knowledge or a skill that needs to be improved which can move learning forward.

### WEEK 7

Pupils must complete the their personalised pupil response task based on the formal assessment. This must be completed in purple pen and a chunk of lesson time must be given to complete it in appropriate detail.

Students must also be given the opportunity to review the learning during the unit of work. Use the unit overview sheet to identify areas that need revisiting.

REINFORCE THE EXERCISE BOOK EXPECTATIONS TO STUDENTS SO THAT THE WORK THAT THEY COMPLETE IN THEIR EXERCISE BOOKS IS OF A HIGH STANDARD AND BOOKS ARE ORGANISED AND TIDY. THE LEARNING CYCLE MUST BE REPEATED EACH 7 WEEKS AND SHOULD BE DEMONSTRATED THROUGH THE WORK THAT STUDENTS COMPLETE.
