

WELCOME TO ST RICHARD GWYN SIXTH FORM

Learning Together in Christ

Learn. Lead. Grow. Flourish.

Welcome to St Richard Gwyn Sixth Form

At St Richard Gwyn Catholic High School, we are a Catholic community rooted in the values of the Gospel. Our mission statement, "Learning Together in Christ," lies at the heart of everything we do, guiding our commitment to academic excellence, personal growth, and service to others.

We are an inclusive and supportive community where each individual is valued, encouraged, and inspired to become the very best version of themselves.

As a student in our Sixth Form, you will benefit from:

- Outstanding pastoral care from a dedicated team of experienced Form Tutors and staff.
- Support and guidance through the UCAS process led by experienced staff.
- High-quality teaching delivered by passionate, knowledgeable, and supportive subject specialists committed to your success.
- Personalised guidance and individual support that recognises your unique talents, aspirations, and needs.
- A wide range of leadership opportunities, including roles such as Head Boy or Head Girl, student mentoring, School Council participation, and ambassadorial responsibilities.
- An extensive choice of courses that provide successful pathways to university, apprenticeships, further study, and employment. This includes access to a suite of online courses provided through our online collaboration with the Catholic College Wales.
- Strong partnerships with local businesses and the wider community, creating valuable opportunities for work experience and the development of employability skills.
- Access to our Inspirational Speakers Programme, where students engage with a range of guest speakers and professionals who share thought-provoking insights on academic, cultural, social, and contemporary issues, alongside valuable life experiences and lessons.

More Than Qualifications

The Sixth Form years are about far more than choosing subjects. They are a time of significant personal development, independence, and self-discovery.

One of the greatest strengths of our Sixth Form is the positive and respectful relationship between staff and students. We know our students as individuals, recognising their different strengths, ambitions, and needs. Our pastoral system is designed to nurture confidence, wellbeing, and resilience while helping every student achieve their full potential.

Life in Sixth Form at St Richard Gwyn is both inspiring and challenging. It is a place where students are encouraged to think deeply, achieve highly, and contribute positively to the wider community. Our students leave us not only with excellent qualifications but also with lasting friendships, cherished memories, and the confidence to embrace the opportunities ahead.

There are countless opportunities to learn, lead, grow, and flourish. We look forward to welcoming you on that journey.

SPOTLIGHT ON SIXTH FORM

Student Voice
"I like the freedom we are given and being trusted to take control of our learning."
Opportunity to see a relic out Church
the freedom

Study Support
"Study periods help me revise, reflect and stay organised."

Expert Staff
"Teachers care and are always willing to help."

Small Classes
"More one-to-one time with teachers helps learning."

Young Adults
"We are treated like young adults and trusted more."

Community
"The Sixth Form environment is welcoming and supportive."

Developing confident, independent and ambitious young adults

DYSGU AN GILYDD YNG NHRIST

Entry Requirements for SRG

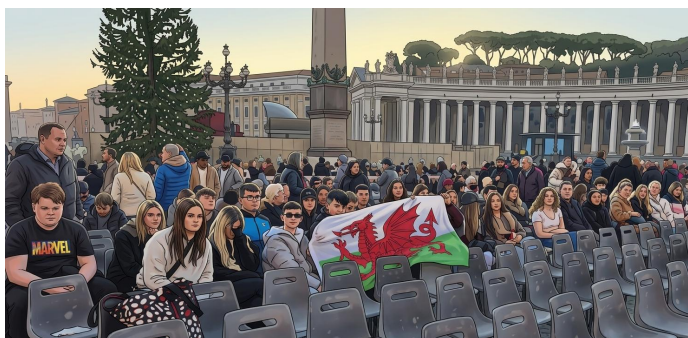

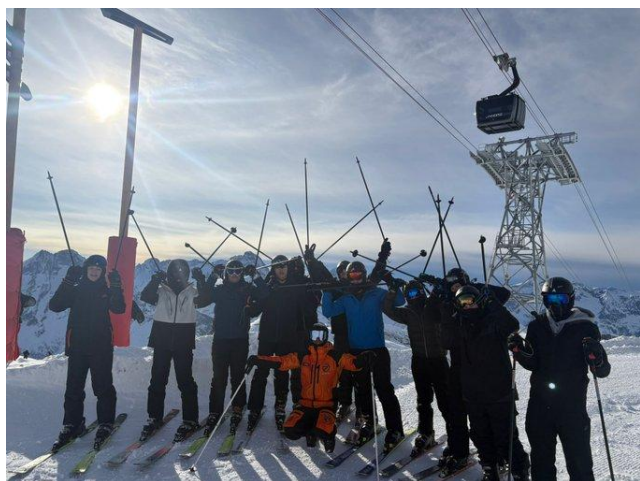

Students should normally achieve at least five GCSE grades A to C (or equivalent), including English and Maths. We would expect a minimum Grade C in the subjects they wish to study at Sixth Form.

We recognise that all student's circumstances are different. Therefore, applicants who have not yet achieved a pass in English or Maths may still be considered following an individual guidance meeting.

Where appropriate, a support plan will be agreed to help students successfully complete these qualifications alongside their Sixth Form studies.

Trips and Visits at SRG

- Annual Ski Trip to the Alps
- December trip to Rome
- Sixth Form trip to New York (to be launched next year)
- Sixth Form trip to Manchester Christmas markets
- University visits
- UCAS Discovery Day
- Seren trips

Spiritual Reflection at SRG

Spiritual Reflection Course

All Year 12 and Year 13 students at St Richard Gwyn Catholic High School Sixth Form participate in a Spiritual Reflection Course, delivered through a partnership with St David's Catholic College, Cardiff, and the Online Catholic College.

Rooted in the values of Catholic education, the course provides students with opportunities to deepen their understanding of faith, spirituality, ethics, and social responsibility. Through online learning, reflection activities, discussion, and engagement with contemporary issues, students are encouraged to explore questions of meaning, purpose, identity, vocation, and service to others.

The programme is closely aligned to the Jesuit Pupil Profile and supports students in developing the qualities of being:

- Grateful and generous
- Attentive and discerning
- Compassionate and loving
- Faith-filled and hopeful
- Eloquent and truthful
- Learned and wise
- Curious and active
- Intentional and prophetic

By reflecting on these virtues, students are encouraged to become thoughtful, resilient, and socially conscious young adults who are prepared to make a positive contribution to society.

As part of the course, students work towards the Agored Cymru Level 3 Award in Religious Literacy, a nationally recognised qualification that develops their understanding of religion, ethics, belief, and contemporary social issues. Successful completion of the qualification attracts 8 UCAS Tariff points, providing valuable recognition of students' wider learning and supporting progression to higher education.

The Spiritual Reflection Course is a distinctive element of Sixth Form life at St Richard Gwyn, complementing students' academic studies while nurturing their spiritual, moral, and personal development in line with the school's Catholic mission.
